

V.1

Walk, run, bike, tram
 get around how you can
Chaise, gaze, daze, phase
 pick a spot to sit and laze
Dance, shake, strut, leap
 strum, sing, beat your feet
Putt, roll, hit, swing
 if the 'game' is more your thing

CHORUS

Mind your island groove
 Your way to be and move
Find your senses rhyme
 To the island time

V.2

Pigment, figments, arts abound
 bring your mojo, let's get down
Choose your program, concert, fest
 some are fun, some serious
Exhibits meant to edify
 Happenings to happen by
Look, see, touch, make
 Get involved!, collaborate

V.3

Recreation, celebration,
 visitation, expectation
Harbor arbor found at ease,
 open space – gentle breeze
Conservation, preservation,
 combination, exploration
Dutch door at your shore,
 and since then, so much more
